Gallery

A screenshot of a mobile phone's gallery app. The status bar at the top shows the time 1:41, signal strength, and battery level. The word "Gallery" is centered at the top. A red "BUG" sticker is in the top right corner. The gallery displays a 3x2 grid of nature-themed images: a lake with trees, a forest, a mountain range, a sunset over a field, and a large tree. The images are arranged in a 3x2 grid.
